About the expo

The Doors, Windows and Facades Expo aims to bring together the latest equipment, technology and practices on to one platform. The Three day event focuses on machinery, systems, profiles, cladding products, façade elements, accessories, other equipment and finished products.

The Doors, Windows and Facades Expo is an event designed to stimulate investment in The Doors, Windows and Facades Expo industry, fostering a platform for local and national investors and experts to share knowledge, exchange business ideas, and ultimately drive business growth. By bringing together industry stakeholders, the expo aims to promote trade, improve competitiveness, and increase the overall value of the Paint and coating sector.

The right technology, practices and equipment play a very crucial role in getting the right output in the Doors and Windows industry. The choice of right equipment and right quality is very important to create the perfect ground for a very successful position in the Doors, Windows and Facades industry. Using the right tools and equipment will save you time and help you give your customers the exact things they are looking for and become the key ingredient in taking your business towards success.

Selecting the appropriate tools and maintaining their quality ensures efficient production, customer satisfaction, and overall growth in the industry.

The Doors, Windows and Facades Expo in Bangalore, India from 13th to 15th April 2026, will be a three-day event that gathers industry professionals, service providers, machinery and equipment manufacturers, technology innovators, and related stakeholders. This unique platform will facilitate networking, knowledge sharing, and business opportunities in the Doors, Windows and Facades sector, ultimately benefiting all participants.

This Expo serves as a significant platform, connecting the latest The Doors, Windows and Facades technologies with professionals. It facilitates interactive sessions, enabling better understanding of buyer-seller requirements and fostering awareness among all end-user segments. This event promotes networking and knowledge-sharing opportunities within the industry.

The Doors Windows and facades sector over view

The Doors, windows and façades sector is an ever green sector which continues to develop and improve over the years. After a slack period due to the covid epidemic the market has once again seen a growth and has come back very strongly.

The Doors, Windows and facades sector in India is poised for significant growth, driven by the adoption of new materials, smart technologies, and the ongoing urbanization and infrastructure development initiatives.

The commercial and residential sectors offer prospects for growth in the door and window industry. New construction, renovation, and rising consumer expenditure on home improvement are the main growth factors for this market

The Indian doors and windows market is projected to grow at a compound annual growth rate (CAGR) of around 6-8% over the next five to ten years.

What is special about the, Windows and Facades Expo

- Tailored stands as per budget and space requirements
- Sponsorships will widen market horizons
- Promote your product and overall brand
- Meet and greet with business prospects to build a larger business empire.
- An opportunity to launch a new product or services
